**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer of internet and Im a big fan of competition in the ISP space. Competition means I have a choice of providers and can get better service for less money. Reducing competition means only a few providers who can jack up prices and harm consumers. Please save competition.

Thanks!
